Raider Point

Scrummies, a software development team affiliated with the Spring 2018 Software Engineering course at the University of Mount Union, are announcing a mobile app to help Mount Union students, faculty, and staff discover and receive reminders for on-campus events.

Features

- Find campus events happening nearby and within the next 48-hours
- Easily obtain event details (date, time, location, description)
- Save event reminders directly to your device's calendar

Presentation

- When: Wednesday, April 25 @ 3:25 pm
- Where: KHIC 057 Lab

Contact
